

# CarpalGard™

## Product Overview:

- Recommended for the treatment of carpal tunnel syndrome (CTS), wrist pain, wrist strain, arthritis, and other hand and wrist ailments.
- Offers support and comfort while allowing for adjustable compression.
- Delivers semi-rigid support in a thin, slip-resistant device.
- Created with NuStimWrap™; available in sizes for optimal fit.
- Latex-free, neoprene-free, adhesive-free.
- Easily applied, breathable, durable, washable, reusable.

*FabriFoam® CarpalGard is available in both Blue and Black NuStimWrap. Please add a suffix "A" for black or "B" for blue to the above item numbers to designate color. Also available in a camouflage print – add a suffix "D" for camo.*

*The CarpalGard is also available in pediatric sizes – small and large.*

## Sizes:
